

CLASS B MARINA REGISTRATION

A Class B Marina is a facility which provides one berthing space to a vessel that is owned by someone other than the lakefront owner or overnight guest, regardless of compensation.

Please note, wharfs and moorings registered for Class B marina use are classified as commercial for annual registration purposes. The registration fee for a commercial mooring is \$100, and for a commercial dock the fee is \$5 per linear foot of usable dock space. Commission staff will conduct a commercial fee redetermination following your registration as a Class B Marina. Please do not send additional fees at this time.

You will receive a letter acknowledging the receipt of this registration.
