Launch Registration # _____ (LGPC office Use Only)

Pursuant to Article 43 of the Environmental Conservation Law and the Lake George Park Commission Prohibition of Aquatic Invasive Species Regulations, 6 NYCRR §§ 646-9, the Lake George Park Commission (LGPC) and the Launch Owner set forth the following:

1. The Launch Facility Owner certifies that (she/he/it) is the owner of the launch listed above (hereinafter "launch").
2. The following trailered vessels are owned by the Launch Owner:

Make & Model	Length	Year	Color	State Registration #

3. No vessels other than those owned by the Launch Owner and listed herein may use this launch facility. Upon sale of vessels listed herein the Launch Owner shall contact the LGPC to update this agreement. Prior to launch of any additional vessels owned by the Launch Owner, the Launch Owner shall contact LGPC and execute a new Boat Launch Agreement.
4. The Launch Owner certifies that the trailered vessels listed herein launch only into Lake George during a boating season and do not travel to any other waterbody before or after they have first launched into Lake George.
5. As long as the vessels listed herein have last launched into Lake George, their owners may use the launch herein without first undergoing the mandatory inspection process described in 6 NYCRR 646-9.

6. In the event that any of the vessels listed herein travel to any other waterbody prior to launching into Lake George, the Launch Owner will not allow such vessel to use the launch herein. Rather, such vessel must travel to one of the LGPC regional inspection stations, and receive a Vehicle Inspection Control Seal prior to launch into Lake George.
7. The Launch Owner shall secure the launch to prevent trailered vessels from unlawfully using this facility launch. The Launch Owner agrees to secure the launch in the following manner:

8. Failure to abide by the terms of this agreement and the LGPC regulations, 6 NYCRR Subpart 646-9 may result in fines, penalties and/or revocation of this launch registration.
9. I hereby affirm that the information on this form and any attachments submitted herewith is true to the best of my knowledge and belief. I hereby consent to the Commission staff and their assigns entering upon and passing through this property in order to inspect without prior notice. In the event that the site or facility is posted with any form of "posted" or "keep out" notices, or fenced in with an unlocked gate, this permission authorizes LGPC staff to disregard such notices or unlocked gates at the time of inspection.
