

Lake George Park Commission

ANDREW M. CUOMO
Governor

BRUCE E. YOUNG
Chairman

DAVE WICK
Executive Director

Notice:

Date: March 17th, 2020

Governor Cuomo is urging all New Yorkers to stay home as much as possible and to keep a safe distance (6 feet) from all others in public spaces to reduce the spread of Coronavirus.

As Coronavirus (COVID-19) continues to affect the community, the NYS Lake George Park Commission is striving to continue to provide you with the service you expect while also working to limit the possibility of exposing the public and agency staff to exposure.

Please review the information below to learn how our operations have changed.

General : Please call our office at 518-668-9347 with any questions or requests, Monday-Friday, 8am - 4pm. Our office is closed to the public until further notice. If you must come to the office, please schedule an appointment with the appropriate staff member. Visit our “About” page for more information on how to reach us. <https://lgpc.ny.gov/about>

Boat Registrations: Looking to buy a Boat Registration? You can buy yours today, online! Visit this address to learn more: <https://lgpc.ny.gov/boat-registrations>

Once you purchase your registration, please print and keep your receipt as proof of purchase. Our office will be processing registration sales as they come in, as quickly as possible. It may take some time for you to receive your decal in the mail. If you wish to go boating and have not received your decal in the mail, you can show your proof of purchase to the Marine Patrol if they ask to see it. If you have any questions, feel free to give us a call.

Permits: Permit applicants should submit all application materials electronically, or via fax. Applicants can scan and email materials to Commission staff or fax them with a cover letter indicating who the fax is for and who it's from, to 518-668-5001.
