

Resolution 2024-48

New Tritoon Vessel

- WHEREAS** the Commission maintains a 26-foot tritoon vessel at Norowal Marina in Bolton Landing for a variety of programmatic activities on Lake George including invasive species planning and management, property and dock inspections, salmon stocking, tours for local and state leadership and more, and
- WHEREAS** the Commission has identified the need for replacement of this 2006 tritoon which has limited seating and an increasing level of repair needs, and
- WHEREAS** the Commission has secured the necessary funding from the NY Works program to offset the full cost of this new vessel, and
- WHEREAS** Commission staff has prepared specifications for a new 25-foot tritoon vessel and has submitted those specifications to the NYS Contract Reporter and to various suppliers of such vessels, soliciting formal quotations as per NYS Finance Law, and
- WHEREAS** the lowest responsive quote received was from Snug Harbor Marina in Ticonderoga with a quote of \$79,965.

NOW THEREFORE BE IT RESOLVED THAT the Commission Executive Director is hereby authorized to execute a purchase order with Snug Harbor Marina for the vessel noted in that company's response to the Commission's Request for Quotations, consistent with the requirements of the NYS Finance Law.
